If you don't love me
Why don't you tell me
Instead of runnin' around
With all the other guys in town

Can't you see
You're hurtin' me
Don't you care (don't you care), don't you care

If you don't want me
Why don't you tell me
Instead of tellin' lies
And makin' me cry
[repeat chorus]

Whatever happened to all the good times we used to
have
The times we cried and laughed
I wanna know, I wanna know
Will you ever love me again
Or will I find out that this is the end
Don't you care

You said that you'd believe me
Then why'd you ever leave me
I'm standin' here all alone
Without a girl of my own
Don't you care (don't you care) don't you care (repeat
to fade)
