I wanted to find
(Where I was going)
Everything I tried
(It took me nowhere)
I was so tired of just living my life
Waiting for a sign

You came to my side
(Gave me direction)
Strong on the inside
(I shine for You Lord)
Now it's my time
I have made up my mind
To be all You want for me

All I do is live my life for You
I know it's true, I'll never let You go
All I do, I'd do anything for You
Everything is in Your hands
So I get up, get up and praise You

I wanted to find
(Where I was going)
Everything I tried
(It took me nowhere)
I was so tired of just living my life
Waiting for a sign

You came to my side
(Gave me direction)
Strong on the inside
(I shine for You Lord)
Now it's my time
I have made up my mind
To be all You want for me

All I do is live my life for You
I know it's true, I'll never let You go
All I do, I'd do anything for You
Everything is in Your hands
So I get up, get up and praise You

And I know where I'm going
I know where I'm going
I know where I'm going
I know where I'm going

All I do is live my life for You
I know it's true, I'll never let You go
All I do, I'd do anything for You
Everything is in Your hands
So I get up, get up and praise You

All I do is live my life for You
(Going, I'm going)
I know it's true, I'll never let You go, yes
All I do, I'd do anything for You
Everything is in Your hands
So I get up, get up and praise You
