What a joy I feel to think about forever
I'm a child of God with blessings from Heaven
By Your side, days always brighter
The Holy one, my Master, my Father

I will dwell in Your courts
I will sing for You
You're my deepest love
Jesus, I love You

It's a love song, I sing
It's an anthem from my heart
All praises to the King
From the depths of my soul
I adore You my Savior
All praises to the King

I am not alone, Jesus, You're near me
Washed me clean with hands full of mercy
You're a resting place for all who are weary
A perfect place and a new beginning

I will dwell in Your courts
I will sing for You
You're my deepest love
Jesus, I love You

It's a love song, I sing
It's an anthem from my heart
All praises to the King
From the depths of my soul
I adore You my Savior
All praises to the King

All praises, all praises
All praises, all praises
(Hallelujah, I praise You)

It's a love song, I sing
It's an anthem from my heart
All praises to the King
From the depths of my soul

I adore You my Savior
All praises to the King

All praises to the King
All praises to the King
