Well, I can't stop talking 'bout everything
He's done
It's the best thing, happened since the world began
It didn't come cheap but I got it for free
It's the hope of glory, Christ in me

Can't stop talking 'bout everything He's
done
It's the best thing, happened since the world began
It didn't come cheap but I got it for free
It's the hope of glory, Christ in me

He helped me to see when my spirit was blind
It's amazing if you look just what you'll find
Every step I took, He took two
If He did it for me, He can do it for you

He helped me to see when my spirit was blind
It's amazing if you look just what you'll find
Every step I took, He took two
If He did it for me, He can do it for you

Do you know Him? Yes, I do
Do you know what I say is true?
Do you know Him? Yes, I do
If He did it for me, He can do it for you

Do you know Him? Yes, I do
Do you know what I say is true?
Do you know Him? Yes, I do
If He did it for me, He can do it for you

Do you know Him? Yes, I do
Do you know what I say is true?
Do you know Him? Yes, I do
If He did it for me, He can do it for you

Well, I can't stop talking 'bout everything
He's done
It's the best thing, happened since the world began
It didn't come cheap but I got it for free
It's the hope of glory, Christ in me

I can't stop talking 'bout it
It's the best thing, since the world began
It didn't come cheap but I got it for free
It's the hope of glory, Christ in me

Oh, thank You, Lord, thank You, Lord
