

Hillsong "Carry Me"

Visit "[Carry Me](#)" on MotoLyrics.com

You lead me in to your courts
Surround me with your love
I walk with you, I do not fear

In this place
Dreams are made
In this place
Where you are

Carry me here in your arms of love
Draw me close to you
I wanna be where you are

You carry me, you are my strength
I've learned to trust in you
And once again I'm reaching out

In this place
Dreams are made
In this place
Where you are

Carry me here in your arms of love
Draw me close to you
I wanna be where you are

Carry me here in your arms of love
Draw me close to you
I wanna be where you are

Carry me here in your arms of love
Draw me close to you
I wanna be where you are

Carry me here in your arms of love
Draw me close to you
I wanna be where you are

Carry me here in your arms of love
Draw me close to you
I wanna be where you are
