Here I am so close to you  
Know My voice, I'll never leave you  
For I have loved you since before  
The sands of time were made

I love you still and always will  
You're chosen as Mine

My Father wants to bless you now  
Receive from Him all that you'll ever need  
Come spend eternity with Me  
My heart's full of love for you

I love you still and always will  
You're chosen as Mine

Cries in the desert, My child I hear them  
Tears in the valley, My lovely I count them  
You're so precious, you were on My mind as I died

Here I am so close to you  
Know My voice, I'll never leave you  
For I have loved you since before  
The sands of time were made

I love you still and always will  
You're chosen as Mine

Cries in the desert, My child, I hear them  
Tears in the valley, My lovely, I count them  
You're so precious, you were on My mind as I died  
I love you, as I died for you, because I

[Incomprehensible]

I love you still, always will  
You're chosen as Mine

I love you, I love you  
Oh, [Incomprehensible] I do  
Oh yeah, oh yeah
