The Holy Spirit is here and His power is real
Anything can happen and it probably will
Something very good something good is going on
around here

There's a light that shines to make the dark disappear
A power at work but there's nothing to fear
Something very good something good is going on
around here

This is a church on fire, this is the Holy Spirit flame
We have a burning desire to lift up Jesus' name
Let the fire burn in every heart to light the way, defeat
the dark
Let the flame of love burn higher
This is a church, this is a church on fire

The Holy Spirit is here and His power is real
Anything can happen and it probably will
Something very good something good is going on
around here

There's a light that shines to make the dark disappear
A power at work but there's nothing to fear
Something very good something good is going on
around here

This is a church on fire, this is the Holy Spirit flame
We have a burning desire to lift up Jesus name
Let the fire burn in every heart to light the way, defeat
the dark
Let the flame of love burn higher
This is a church, this is a church on fire

This is a church, this is a church on fire

the dark

This is a church, this is a church on fire
