This is my prayer in the desert  
When all that's within me feels dry  
This is my prayer in my hunger and need  
My God is the God who provides

This is my prayer in the fire  
In weakness or trial or pain  
There is a faith proved  
Of more worth than gold  
So refine me Lord through the flame

I will bring praise I will bring praise  
No weapon formed against me shall remain  
I will rejoice I will declare  
God is my victory and He is here

This is my prayer in the battle  
When triumph is still on its way  
I am a conqueror and co-heir with Christ  
So firm on His promise I'll stand

All of my life  
In every season  
You are still God  
I have a reason to sing  
I have a reason to worship

This is my prayer in the harvest  
When favour and providence flow  
I know I'm filled to be emptied again  
The seed I've received I will sow
