We come into Your presence
To sing a song to You
A song of praise and honor
For all the things You helped us through

You gave a life worth living
A life in love with You
And now I just love giving
All my praises back to You

You're the Father of creation
The risen Lamb of God
You're the One who walked away
From the empty tomb that day

And You set Your people free
With love and liberty
And I can walk with You
Every night and every day

You're the Father of creation
The risen Lamb of God
You're the One who walked away
From the empty tomb that day

And You set Your people free
With love and liberty
And I can walk with You
Every night and every day

We come into Your presence
To sing a song to You
A song of praise and honor
For all the things You helped us through

You gave a life worth living
A life in love with You
And now I just love giving
All my praises back to You

You're the Father of creation
The risen Lamb of God

You're the One who walked away
From the empty tomb that day

And You set Your people free
With love and liberty
And I can walk with You
Every night and every day

You're the Father of creation
The risen Lamb of God
You're the One who walked away
From the empty tomb that day

And You set Your people free
With love and liberty
And I can walk with You
Every night and every day

You're the Father of creation
The risen Lamb of God
You're the One who walked away
From the empty tomb that day

And You set Your people free
With love and liberty
And I can walk with You
Every night and every day
