Gloriously
You saved me, You saved me
So miraculously
You made me brand new

You welcomed me
With open arms, open arms
Unfailingly
Your love is a river, so

I will praise You
I will praise You

I'll praise Your name forever and a day
And I'll live for You into eternity
And I'll praise Your name forever and a day
And I'll live what I sing, what I say
What I'm learning every day

Generously
You gave me, You gave me
Marvelously
You made me, You made me

Relentlessly
I'll follow, I'll follow
Your majesty
Breathtaking, so beautiful

I will praise You
I will praise You

I'll praise Your name forever and a day
And I'll live for You into eternity
And I'll praise Your name forever and a day
And I'll live what I sing, what I say
What I'm learning every day

So I'll praise Your name forever and a day
And I'll live for You into eternity
So I'll praise Your name forever and a day
And I'll live what I sing, what I say

What I'm learning every day

Oh, I'll praise Your name forever and a day
And I'll live for You into eternity
And I'll praise Your name forever and a day
And I'll live what I sing, what I say
What I'm learning every day
