Amazing love
Now what else shall I need
Your name brings light
It's more than the air I breathe

My world was changed
When Your love You gave for me
My purpose found
And all that You want from me

And I found myself in You, Lord
And I found myself in You

Amazing love
Now what else shall I need
Your name brings light
It's more than the air I breathe

And I found myself in You, Lord
And I found myself in You
And I found myself in You, Jesus
And I found myself in You, Oh Lord

So take me to a place
Where I can see You face to face
And all I wanna do
All I wanna do is worship You

So take me to a place
Where I can see You face to face
And all I wanna do
All I wanna do is worship You
