Verse 1:

Lost and stranded
Empty handed
Broken down and all alone
Your mercy, it entered
Into darkness
And enfolded us in love

Pre-Chorus:

We give You all we are
For the glory of Your name
We give all we are
For Your praise

Verse 2:

Just a glimmer
Of Your glory
And the Earth falls to it's knees
You leveln the mountains
With a whisper
And You calm the raging seas

Pre-Chorus:

We give You all we are
For the glory of Your name
We give all we are
For Your praise

Chorus:

Let the Earth come to life
In the light of Heaven's glow
And the streets sound with joy
As the shackles lose their hold

You laid down Your life
For one and all
So we give all we are
To You alone

Verse 3:

This means freedom
For the captives

And good news for those in need
Your message, is justice
And compassion
God of Love and Prince of Peace
Pre-Chorus:
We give You all we are
For the glory of Your name
We give all we are
For Your praise

Chorus:
Let the Earth come to life
In the light of Heaven's glow
And the streets sound with joy
As the shackles lose their hold

You laid down Your life
For one and all
So we give all we are
To You alone, you alone

Bridge:
With one voice we sing Hallelujah
All the Earth cry out Hallelujah
With the angels sing Hallelujah
Jesus Christ is King

Chorus:
Let the Earth come to life
In the light of Heaven's glow
And the streets sound with joy
As the shackles lose their hold

You laid down Your life
For one and all
So we give all we are
To You alone

We give everything
To you alone
We give everything
To you alone
We give everything
To you alone
We give everything
