God is good all the time
God is good all the time
God is good all the time
For unmerited favor I stand up and say
God is good all the time

God is good all the time
God is good all the time
God is good all the time
For unmerited favor I stand up and say
God is good all the time

He made a road in the wilderness
I used to be lost but now I'm free
God is good
He would have left His throne in glory
If there was nobody else but me
God is good

God is good all the time
God is good all the time
God is good all the time
For unmerited favor I stand up and say
God is good all the time

I used to feel I was all alone
I was looking for peace in my mind
God is good
Then Jesus showed me a better way
That's the reason I testify that
God is good, so good

God is good all the time
God is good all the time
God is good all the time
For unmerited favor I stand up and say
God is good all the time

God is good all the time
God is good all the time
God is good all the time
For unmerited favor I stand up and say

God is good all the time

And I'm gonna testify, God is good

I wanna testify, God is good

I wanna testify, God is good

I wanna testify, God is good

I wanna testify, God is good

I wanna testify, God is good

I wanna testify, God is good
