Visit "[Hear Our Prayer](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Hear our prayer, Spirit, come  
How I long for Your sweet touch  
On my knees I cry out  
Jesus, Savior behold Your child

Like a deer longing for water  
My soul yearns  
Only You can fill my deep hunger  
My heart burns, my heart burns

Hear our prayer, Spirit, come  
How I long for Your sweet touch  
On my knees I cry out  
Jesus, Savior behold Your child

Like a deer longing for water  
My soul yearns  
Only You can fill my deep hunger  
My heart burns, my heart burns

Like a deer longing for water  
My soul yearns  
Only You can fill my deep hunger  
My heart burns, my heart burns

Oceans deep, mountains high  
Oh my God, I cannot live without Your love  
I cannot live without Your love

Like a deer longing for water  
My soul yearns  
Only you can fill my deep hunger  
My heart burns, my heart burns

Like a deer longing for water  
My soul yearns  
Only you can fill my deep hunger  
My heart burns, my heart burns

My heart burns, my heart burns  
My heart burns, my soul yearns for You  
My heart burns, my heart burns

Oh it's for You, my heart burns
