

Hillsong "His Love"

Visit "[His Love](#)" on MotoLyrics.com

Your light is over me
Flooding over me, the night is lifted
Heaven over me
Flooding over me, I can't contain it

My cup overflows, my cup overflows
Praise the Lord with all my heart
Praise Him for He has done great things

His banner over me is love, His love
His banner over me is love, His love

You brought the sunshine in
Turned the dark to day
You made the shadows flee away

You opened up my eyes
To a new and living way
The dawning of a brand new day
