[Verse 1]:

For the love poured out
For the price of freedom
Let the whole earth sing
The praises rising
We stand in awe of what you've done
For us, at the cross

[Chorus]:

The hope of the world
Lifted on high
Calling us home with arms out wide
To know you forever, to love you forever
You are our everything

[Verse 2]:

Our sin erased,
We're forgiven
You made a way
You are our ransom
And we owe this life for all you've done
For us, at the cross

[Chorus]:

The hope of the world
Lifted on high
Calling us home with arms out wide
To know you forever, to love you forever
You are our everything

[Bridge]:

All we need is You

[Chorus]:

The hope of the world
Lifted on high
Calling us home with arms out wide
To know you forever, to love you forever
You are our everything
