I believe in You,
The joy of my salvation
I believe in You,
Saviour of my life

For without You I can do nothing
But with You I am strong
To follow with Your truth
Jesus, I believe in You

I believe in You
A fire burns within me
I believe in You
My life will bring You praise

For without You I can do nothing
But with You I am strong
To follow with Your truth
Jesus, I believe in You

I owe You my life
I will worship You forever
I owe You my life
I will live to bring You praise (2x)

I believe in You
Your grace has overwhelmed me
I believe in You
The lover of my soul

For without You I can do nothing
But with You I am strong
To follow in Your truth
Jesus, I believe in You

I owe You my life
I will worship You forever
I owe You my life
I will live to bring You praise (2x)
