Standing tall in this wide space  
Getting lost in Your embrace  
I see a fire burning brighter  
It's calling me to catch the flame

Oh Lord, I feel like I'm falling over and over in love with  
You  
It's not just a feeling but I know that He is real  
I feel like I'm falling into the arms of the mighty God  
It's not just a feeling but I know that He is real

Oh Lord, You're drawing me closer to Your side  
It's the safest place I know where to hide  
With one glance You captured my heart  
You speak Your words, You speak Your words that set  
me apart  
Hallelujah

I feel like I'm falling over and over in love with You  
It's not just a feeling but I know that He is real  
I feel like I'm falling into the arms of the mighty God  
It's not just a feeling but I know that He is real

I feel like I'm falling over and over in love with You  
It's not just a feeling but I know that He is real  
I feel like I'm falling into the arms of the mighty God  
It's not just a feeling but I know that He is real

I feel like I'm falling, I feel like I'm falling  
I feel like I'm falling, falling into the arms of love  
I feel like I'm falling, I feel like I'm falling  
I feel like I'm falling, falling into the arms of love

I feel like I'm falling, I feel like I'm falling  
I feel like I'm falling, falling into the arms of love  
I feel like I'm falling, I feel like I'm falling  
I feel like I'm falling, falling into the arms of love

I feel like I'm falling over and over in love with You  
It's not just a feeling but I know that He is real  
I feel like I'm falling into the arms of the mighty God  
It's not just a feeling but I know that He is real

He is real, He is real, thank You Lord

I feel like I'm falling, I feel like I'm falling  
I feel like I'm falling, falling into the arms of love  
I feel like I'm falling, I feel like I'm falling  
I feel like I'm falling, falling into the arms of love
