Bless my life, take away the shame
Allow me to experience your most amazing grace
Fill my heart, it's empty and frail
Make me whole again Lord, mend my broken soul

Refrain:

I offer my life to You Lord
With all my strength I worship you

Chorus:

And I give my all (Take me as I am)
I am Yours Oh God (Lead me to Your arms)
And I will give You praise (cause I rejoice in You)

'Til the end of my days I give my all

'Til the end of my days I give my all
'Til the end of my days I give my all
