

Hillsong "Jesus Generation"

Let the Earth rejoice
See the risen King
From the glads of praise
He's exalted forever

We will rise with Him
Son of righteousness
And the Earth will shake
In the glory of heaven

See the heavens open wide
And His glory like a God
Fill the earth with salvation
See the nations take His hand
And in righteousness, they stand
This is Jesus generation

We will rise with Him
Son of righteousness
And the Earth will shake
In the glory of heaven

See the heavens open wide
And His glory like a God
Fill the earth with salvation
See the nations take His hand
And in righteousness, they stand
This is Jesus generation

Glory, glory, glory, Emmanuel, God is with us
Glory, glory, glory, Emmanuel, God is with us
Glory, glory, glory, Emmanuel, God is with us
