"Love Like Fire"

I'm desperate for Your touch
A glimpse of heaven for the glory of Your Son.
In a moment You can turn a life around
Forever to be found in You.

I am reaching out to find
There's nothing greater than Your love that holds my
life.
Your grace and mercy that have saved me by Your
blood,
And swept away my shame, oh Lord.

Your love is like fire that burns for all to see.
My only desire to worship at Your feet.
So let this fire consume my life.
Let Your love take me deeper
Pull me closer to where You are,
Cause all I want is more of You.

And I'm surrendered to Your love
Forever humbled by the message of the cross.
I stand abandoned in Your presence and Your
embrace,
And I'll never be the same, oh God.

Your love is like fire that burns for all to see.
My only desire to worship at Your feet.
So let this fire consume my life.
Let Your love take me deeper
Pull me closer to where You are,
Cause all I want is more of You.

When You call I will follow.
At the cross I surrender all,
Jesus I belong to You.

I belong to You Lord

Your love is like fire that burns for all to see.
My only desire to worship at Your feet.

Your love is like fire that burns for all to see.
My only desire to worship at Your feet.
So let this fire consume my life.
Let Your love take me deeper,
Pull me closer to where You are,
Cause all I want is more of You.

When You call I will follow,
At the cross I surrender all,
Jesus I belong to You.

Let Your love take me deeper,
(Pull me closer)
Pull me closer to where You are,
Cause all I want is more of You

When You call I will follow,
At the cross I surrender all,
Jesus I belong to You.
