You knew us from the start
Our every moment
Though we fell apart
You chose to love us
Never letting go
You sent Your Son for us

He came into the world
With one desire
To lead us from our sin
Remove our failures
So we could meet with You
And know ourselves as Yours

In a world that tries to
Find a way in itself
Searching high and low
Looking for a meaning
We will hold to what we
Know is truth know is love
Life is found when we give
Ourselves all to You Lord

Give it all give it all to the One who's Life
Give it all give it all to the One who's Life
Give it all give it all to the One who's Life
Saved mine

Our future in Your hands
Our lives with purpose
Sins now erased our past behind us
Never looking back
We know ourselves as Yours

This we know we have a new life
We are Yours now and forever
In this life all that we seek
To be with You more than anything
