We've got nothing to lose  
We've got no reason to hide  
We've got the answer inside of us  
It's time we took our disguises off

See Your glory revealed  
See Your name lifted high  
'Cause there is nobody else for us  
Jesus you are the only one

You are alive and we are free  
You are everything, everything we need

There's not a minute to waste  
Not a second to lose  
'Cause there's a city that waits for us  
It's time to took all the lamp shades off

See Your glory revealed  
See Your name lifted higher  
'Cause there is nobody else for us  
Jesus you are the only one

You are alive and we are free  
You are everything, everything we need  
Love has spoken and we believe  
You are everything, everything we need

Nothing compares to You  
Nothing could ever separate us now  
This love is ours

Nothing compares to You  
Nothing could ever separate us now  
This love is ours

Nothing compares to You  
Nothing could ever separate us now  
This love

You are alive and we are free  
You are everything, everything we need

Love has spoken and we believe  
You are everything, everything we need

Nothing can separate us  
Nothing can come between us  
Nothing can separate us now

Nothing can separate us  
Nothing can come between us  
Nothing can separate us now

Nothing can separate us  
Nothing can come between us  
Nothing can separate us now

Nothing  
Nothing  
Nothing can separate us now
