

Hillsong "One Day"

More than I could hope or dream of
You have poured your favor on me
One day in the house of God is
Better than a thousand days in the world

So blessed, I can't contain it
So much, I've got to give it away
Your love taught me to live now
You are more than enough for me

More than I could hope or dream of
You have poured Your favor on me
One day in the house of God is
Better than a thousand days in the world

You see, I'm so blessed, I can't contain it
So much, I've got to give it away
Your love taught me to live now
You are more than enough for me

So blessed, I can't contain it
So much, I've got to give it away
Your love taught me to live now
You are more than enough for me

Lord, You're more than enough for me
Lord, You're more than enough for me
Lord, You're more than enough for me
Lord, You're more than enough for me

Lord, You're more than enough for me
Lord, You're more than enough for me
Lord, You're more than enough for me
Lord, You're more than enough for me

So blessed, I can't contain it
So much, I've got to give it away
Your love taught me to live now
You are more than enough for me

So blessed, I can't contain it
So much, I've got to give it away

Your love taught me to live now
You are more than enough for me

So blessed, I can't contain it
So much, I've got to give it away
Your love taught me to live now
You are more than enough for me
