

Hillsong "Reaching For You"

I can't believe the way Your love has got a hold on me
Each morning I wake to find You near
You lift me above my fears and set my feet on solid
ground
All of my days belong to You

And I breathe in Your breath of life that fills my heart
You are my all consuming fire

I stand here before You in wide opened wonder
Amazed at the glory of You
The power of heaven revealing Your purpose in me
As I'm reaching for You

I can't believe the way Your love has got a hold on me
Each morning I wake to find You near
You lift me above my fears and set my feet on solid
ground
All of my days belong to You

And I breathe in Your breath of life that fills my heart
You are my all consuming fire

And I stand here before You in wide opened wonder
Amazed at the glory of You
The power of heaven revealing Your purpose in me
As I'm reaching for You

And I stand here before You in wide opened wonder
Amazed at the glory of You
The power of heaven revealing Your purpose in me
As I'm reaching for You

And I stand here before You in wide opened wonder
Amazed at the glory of You
The power of heaven revealing Your purpose in me
As I'm reaching for You

And I stand here before You in wide opened wonder
Amazed at the glory of You
The power of heaven revealing Your purpose in me
As I'm reaching for You

Reaching for You
Reaching for You
Reaching for You

And I stand here before You in wide opened wonder
Amazed at the glory of You
The power of heaven revealing Your purpose in me
As I'm reaching for You
