You are God from the outset
Powerful and creative
You who sought us here before you called all the stars
and the earth to existence

You are God you are holy
History is your story
You who was and is and who forever will be God we live
for your glory

(Chorus)

So we will run
Altogether our hearts aflame
With a fire that cant be tamed
Our God, all glory to your name
And we will run
Our surrender to bring you fame
A desire that you'll be praised
Our God, all glory to your name... Jesus

You are God you are freedom
Your alive now within us
You who sought us here befor you conquered the
grave and delivered on your promise

(Chorus)

So we will run
Altogether our hearts aflame
With a fire that cant be tamed
Our God, all glory to your name
And we will run
Our surrender to bring you fame
A desire that you'll be praised
Our God, all glory to your name... Jesus
Jesus

... For all
So great is your name
Your love is all I've found

(chorus)

So we will run
Altogether our hearts aflame
With a fire that cant be tamed
Our God, all glory to your name
And we will run
Our surrender to bring you fame
A desire that you'll be praised
Our God, all glory to your name (X2)
