God above all the world in motion.  
God above all my hopes and fears.  
I don't care what the world throws at me now,  
It's gonna be alright.

Hear the sound of the generations.  
Making loud our freedom song.  
All in all that the world would know Your name.  
It's gonna be alright.

'Cause I know my God saved the day,  
And I know His word never fails,  
And I know my God made a way for me,  
Salvation is here.

God above all the world in motion.  
God above all my hopes and fears.  
I don't care what the world throws at me now.  
It's gonna be alright.

'Cause I know my God saved the day,  
And I know His word never fails,  
And I know my God made a way for me,  
Salvation is here.

'Cause I know my God saved the day,  
And I know His word never fails,  
And I know my God made a way for me,  
Salvation is here.

Salvation is here,  
Salvation is here and He lives in me.  
Salvation is here,  
Salvation that died just to set me free.  
Salvation is here,  
Salvation is here and He lives in me.  
Salvation is here.

Cause You are alive and You live in me,  
Salvation is here.  
Salvation is here and it lives in me,  
Salvation is here.

Savation is here that died just to set me free,  
Salvation is here.  
Salvation is here and it lives in me.

Cause You are alive and You live in me,  
Salvation is here.  
Salvation is here and it lives in me,  
Salvation is here.  
Savation is here that died just to set me free,  
Salvation is here.  
Salvation is here and it lives in me.

'Cause I know my God saved the day,  
And I know His word never fails,  
And I know my God made a way for me,  
Salvation is here.

'Cause I know my God saved the day,  
And I know His word never fails,  
And I know my God made a way for me,  
Salvation is here.
