I give You praise for You deserve it  
I give You praise for what You've done  
I give You praise for You are able  
I give You praise 'til I overcome

I give You praise when the sun is shining  
I give You praise in the dark of night  
I give You praise when the battle rages  
I give You praise 'til it works out right

The shout of the King is among us  
God lives here in our praises  
The shout of the King is among us  
Praise Him praise Him  
Praise Him in everything

Heaven opens as we sing Your praise  
Angels join us as we praise Your name
