'Coz the enemy has been defeated
And death couldn't hold You down
Gonna lift our voice in victory
Gonna make Your praises loud

The enemy has been defeated
Death couldn't hold You down
Gonna lift our voice in victory
Gonna make Your praises loud

The enemy has been defeated
Death couldn't hold You down
We're gonna lift our voice in victory
We're gonna make Your praises loud

'Coz the enemy has been defeated
Death couldn't hold You down
Gonna lift our voice in victory
We're gonna make Your praises loud

'Coz the enemy has been defeated
Death couldn't hold You down
Gonna lift our voice in victory
Gonna make Your praises loud

'Coz the enemy has been defeated
Death couldn't hold You down
Gonna lift our voice in victory
Gonna make Your praises loud

Shout unto God with a voice of triumph
Shout unto God with a voice of praise
Shout unto God with a voice of triumph
We lift Your name up, we lift Your name up

Shout unto God with a voice of triumph
Shout unto God with a voice of praise
Shout unto God with a voice of triumph
We lift Your name up, we lift Your name up

Shout unto God with a voice of triumph
Shout unto God with a voice of praise

Shout unto God with a voice of triumph
We lift Your name up, we lift Your name up

Shout unto God with a voice of triumph
Shout unto God with a voice of praise
Shout unto God with a voice of triumph
We lift Your name up, we lift Your name up
