Say the word and I will sing for You
Over oceans deep, I will follow
If each star was a song
And every breath of wind, praise
It would still fail by far to say
All my heart contains
I simply live, I simply live for You

As the glory of Your presence
Now fills this place
In worship, we will meet You face to face
There is nothing in this world
To which You can be compared
Glory on glory, praise upon praise
You bind the broken hearted
And save all my tears
By Your word, You set the captives free
There is nothing in this world
That You cannot do
I simply live, I simply live for You

Say the word and I will sing for You
Over oceans deep, I will follow
If each star was a song
And every breath of wind, praise
It would still fail by far to say
All my heart contains
I simply live, I simply live for You

As the glory of Your presence
Now fills this place
In worship, we will meet You face to face
There is nothing in this world
To which You can be compared
Glory on glory, praise upon praise
You bind the broken hearted
And save all my tears
By Your word, You set the captives free
There is nothing in this world
That You cannot do
I simply live, I simply live for You
