We come into Your presence with singing
Come into Your presence with praise
Enter Your gates with thankful hearts
We are going to celebrate

All of heaven's waiting
Power is on its way
So we shout hallelujah
Lifting to You a mighty roar of praise

You deserve the highest praise
We can give and more
Lord, we give You our praise
That's what we came here for

You deserve the highest praise
We can give and more
Lord, we give You our praise
That's what we came here for

We come into Your presence with singing
Come into Your presence with praise
Enter Your gates with thankful hearts
We are going to celebrate

All of heaven's waiting
Power is on its way
So we shout hallelujah
Lifting to You a mighty roar of praise

You deserve the highest praise
We can give and more
Lord, we give You our praise
That's what we came here for

You deserve the highest praise
We can give and more
Lord, we give You our praise
That's what we came here for

Everything within me reaches out to You
And Your power, majesty, grace and mercy too

There'll be singing and dancing
Hearts and voices raised
You've set Your people free
Now the house is filled with praise

Everything within me reaches out to You
And Your power, majesty and grace and mercy too

There'll be singing and dancing
Hearts and voices raised
You've set Your people free
Now the house is filled with praise

You deserve the highest praise
We can give and more
Lord, we give You our praise
That's what we came here for

You deserve the highest praise
We can give and more
Lord, we give You our praise
That's what we came here for

You deserve the highest praise
We can give and more
Lord, we give You our praise
That's what we came here for

You deserve the highest praise
You deserve the highest praise
You deserve the highest praise
You deserve the highest praise

You deserve the highest praise
You deserve the highest praise
You deserve the highest praise

Yes, You do Lord
You deserve it
