Verse 1:

When the walls close in around me  
Let Your glory light the darkness of my night  
When the suffering's all that I see  
May I walk with You by faith and not by sight

Verse 2:

On the throne of sweet surrender  
I have nothing but to offer You my life  
Greater love I have not found it  
Oh by mercy You have eased this troubled mind  
Open hearted I will search and I will find

Chorus:

Whoa  
Sin is broken  
The lost now chosen  
The Father's heart  
X2

Verse 3:

Humble king You go before me  
By Your grace I stand for everything that's true  
Through Your Son I am made worthy  
There's no other who can love me like You do  
And forever I keep running back to You

Chorus:

Whoa  
Sin is broken  
The lost now chosen  
The Father's heart  
X3

Sin is broken  
The lost now chosen  
The father's heart

Outro:

You reign  
You reign in all the earth  
Whoa
