You are the first and the last, beginning and the end  
The promise of one who's to come, the future is in Your  
hands  
Calling the light with all the earth we will sing

You are the author of love, our freedom is in Your  
name  
Embracing the cross there for us, brought us to life  
again  
Calling the love with all we are let us sing

God, our hope and our salvation  
Worthy of all the praise, be our light everlasting  
Great is Your name, Jesus the first and the last, yeah

Show us the way of Your love, lead us towards the truth  
Stir up the fire in us to live out this life for You  
Calling Your name Jesus forever we'll sing, yeah

God, our hope and our salvation  
Worthy of all the praise, be our light everlasting  
Great is Your name, Jesus the first and the last, yeah

Every heart every nation will hear the sound  
As the light breaks through the darkness and Your  
name rings loud  
Every distant horizon will meet as one  
Singing, holy is Your name, we sing holy is Your name

God, our hope and our salvation  
Worthy of all the praise, be our light everlasting  
Great is Your name

God, our hope and our salvation  
Worthy of all the praise, be our light everlasting  
Great is Your name, Jesus the first and the last

Jesus the first and the last  
You are, Jesus the first and the last  
You are, first and the

You are

You're the alpha and omega  
The beginning and the end

Our salvation, You bring freedom  
God, Your grace it knows no end  
You're the name above all names  
The lamb that was slain

You are, yeah, the first and the last  
You are first and the last
