We're gonna dance dance dance,
In the freedom we know.
We're gonna dance dance dance,
In the freedom we know.
We're gonna dance dance dance,
In the freedom we know,
Because the freedom we know is gonna last forever.

The world turns in all of it's ways,
But I'm soul set on a holy name,
And when all earth is said and done,
Still I will praise Him.

There's no end to the love that He gives,
And now broken dreams have life again,
In the hope of the risen King,
So let us praise Him.

A mystery unthinkable,
That He took the fall just to save my soul,
Now to love is the life I know,
On and on and on we'll be singin'.

Soul set free in the One I love.
Oh come on come on,
And let the whole earth sing,
In the freedom we know,
So come on come on and praise Him.

Come come all the lost and the found.
Let us rise up with a holy sound.
All the earth unified as one.
Just to praise Him.

In full view with nothing to hide,
Like a city on a hill we're gonna shine,
In the light of Your freedom,
Let us praise Him.

We're gonna dance dance dance,
In the freedom we know.
We're gonna dance dance dance,

In the freedom we know.
We're gonna dance dance dance,
In the freedom we know,
Because the freedom we know is gonna last forever.
