Give me eyes to see more of who You are  
May what I behold still my anxious heart  
Take what I have known and break it all apart  
For You my God are greater still

No sky contains, no doubt restrains  
All You are, the greatness of our God  
I spend my life to know and I'm far from home  
To all You are, the greatness of our God

Give me grace to see beyond this moment here  
To believe that there is nothing left to fear  
And that You alone are high above it all  
For You my God are greater still

And no sky contains, no doubt restrains  
All You are, the greatness of our God  
I spend my life to know and I'm far from home  
To all You are, the greatness of our God

And no sky contains, no doubt restrains  
All You are, the greatness of our God  
I spend my life to know and I'm far from home  
To all You are, the greatness of our God

There is nothing that can ever separate us  
There is nothing that can ever separate  
If from Your love, no life, no death of this I am  
convinced  
For You my God are greater still

There is nothing that can ever separate us  
There is nothing that can ever separate  
If from Your love, no life, no death of this I am  
convinced  
For You my God are greater still

And no words could say or song convey  
All You are, the greatest of our God  
I spend my life to know and I'm far from home  
To all You are, the greatness of our God

And no sky contains, no doubt restrains  
All You are, the greatness of our God  
I spend my life to know and I'm far from home  
To all You are, the greatness of our God  
All You are, the greatness of our God
