Come join the song, lift your voice  
As Heaven and Earth give praise  
Fall to your knees at the feet  
Of the Son of the One true God

Turn from old ways, lift your eyes  
For the kingdom of God is here  
Open your heart, offer all  
For Jesus Christ is here, now

We have found our home  
We have found our peace  
We have found our rest  
In the One who loves

He will light the way  
He will lead us home  
As we offer all  
To the One who saves us

Call on the name that is hope  
Jesus, the Son of God  
Lord over all, He is good  
And His mercy endures always

We have found our home  
We have found our peace  
We have found our rest  
In the One who loves

He will light the way  
He will lead us home  
As we offer all  
To the One who saves us

His love endures  
Forever His love endures  
Forever His love endures  
Forever and ever

His love endures  
Forever His love endures

Forever His love endures  
Forever and ever

His love endures  
Forever His love endures  
Forever His love endures  
Forever and ever, His love

Oh, His love endures  
Forever His love endures  
Forever His love endures  
Forever and ever

We have found our home  
We have found our peace  
We have found our rest  
In the One who loves

He will light the way  
He will lead us home  
As we offer all  
To the One who saves us

Oh, His love endures  
Forever His love endures  
Forever His love endures  
Forever and ever

Oh, His love endures  
Forever His love endures  
Forever His love endures  
Forever and ever, Jesus
