Your light broke through my night
Restored exceeding joy
Your grace fell like the rain
And made this desert live

You have turned my mourning into dancing
You have turned my sorrow into joy

Your hand lifted me up
I stand on higher ground
Your praise rose in my heart
And made this valley sing

You have turned my mourning into dancing
You have turned my sorrow into joy
You have turned my mourning into dancing
You have turned my sorrow into joy

This is how we overcome
This is how we overcome
This is how we overcome
This is how we overcome

This is how we overcome
This is how we overcome
This is how we overcome
This is how we overcome

This is how we overcome
This is how we overcome
This is how we overcome
This is how we overcome

You have turned my mourning into dancing
You have turned my sorrow into joy
You have turned my mourning into dancing
You have turned my sorrow into joy
