The greatest love that anyone could ever know  
That overcame the cross and grave to find my soul  
And till I see You face to face  
And grace amazing takes me home, I'll trust in You

Will I ever live to see Your kingdom come?  
And in my heart I pray, You'd let Your will be done  
Till I see You face to face  
And grace amazing takes me home, I'll trust in You

And I will live to love You  
I will live to bring You praise  
I will live a child in awe of You

You are the voice that called the universe to be  
You are the whisper in my heart that speaks to me  
And till I see You face to face  
Grace amazing takes me home, I'll trust in You

And I will live to love You  
I will live to bring You praise  
I will live a child in awe of You

And I will live to love You  
I will live to bring You praise  
I will live a child in awe of You, of You

'Cause You alone are God of all  
You alone are worthy, Lord  
And with all I am  
My soul will bless Your name

'Cause You alone are God of all  
You alone are worthy, Lord  
And with all I am  
My soul will bless Your name

The greatest love that anyone could ever know  
That overcame the cross and grave to find my soul  
Till I see You face to face  
Grace amazing takes me home, I'll trust in You

And I will live to love You  
I will live to bring You praise  
I will live a child in awe of You

And I will live to love You  
I will live to bring You praise  
I will live a child in awe of You, of You

'Cause You alone are God of all  
You alone are worthy, Lord  
And with all I am  
My soul will bless Your name

'Cause You alone are God of all  
You alone are worthy, Lord  
And with all I am  
My soul will bless Your name
