With all I'm holding inside  
With all my hopes and desires  
And all the dreams that I've dreamt

With all I'm hoping to be  
And all that the world will bring  
And all that fails to compare

You say You want all of me  
I wouldn't have it any other way

I've got a Saviour and He's living in me  
Whoa, I wanna know  
I wanna know You today

And You're the best thing  
That has happened to me  
And the world will never take  
The world will never take You away

With all I'm hoping to be  
And all that the world will bring  
And all that fails to compare

You say You want all of me  
I wouldn't have it any other way

I've got a Saviour and He's living in me  
Whoa, I wanna know  
I wanna know You today

And You're the best thing  
That has happened to me  
And the world will never take  
The world will never take You away

I've got a Saviour and He's living in me  
Whoa, I wanna know  
I wanna know You today

And You're the best thing  
That has happened to me

And the world will never take  
The world will never take You away

I've got a Saviour and He's living in me  
Whoa, I wanna know  
I wanna know You today

And You're the best thing  
That has happened to me  
And the world will never take  
The world will never take You away

I've got a Saviour and He's living in me  
Whoa, I wanna know  
I wanna know You today

And You're the best thing  
That has happened to me  
And the world will never take  
The world will never take You away

No one could ever take You away  
No one can ever take You away
