

Hillsong "With Everything"

Open our eyes
To see the things that make Your heart cry
To be the church that You would desire
Your light to be seen

Break down our pride
And all the walls we've built up inside
Our earthly crowns and all our desires
We lay at Your feet

So let hope rise and darkness tremble
In Your holy light
That every eye will see Jesus our God
Great and mighty to be praised

God of all days
Glorious in all of Your ways
The majesty the wonder and grace
In the light of Your Name

Let hope rise and darkness tremble
In Your holy light
That every eye will see Jesus our God
Great and mighty to be praised

With everything, with everything
We will shout for Your glory
With everything, with everything
We will shout forth Your praise

With everything, with everything
We will shout for Your glory
With everything, with everything
We will shout forth Your praise

Our hearts they cry, be glorified
Be lifted high above all names
For You our King with everything
We will shout forth Your praise

With everything, with everything
We will shout for Your glory

With everything, with everything
We will shout forth Your praise

With everything, with everything
We will shout for Your glory
With everything, with everything
We will shout forth Your praise

With everything, with everything
We will shout for Your glory
With everything, with everything
We will shout forth Your praise

With everything, with everything
We will shout for Your glory
With everything, with everything
