

Hillsong "With You"

Visit "[With You](#)" on [MotoLyrics.com](#)

I will sing about everything you are, always
I will tell the world everything you've done indeed

I stand on higher ground, I was lost but now I'm here
With you, my refuge, my stronghold
Always with you, faithful one holding on
I am always with you

Future of the world is within your hands of love
Love reaches me, I am in awe of you

Well, I stand on higher ground, I was lost but now I'm
here
With you, my refuge, my stronghold
Always with you, faithful one holding on
I am always

With you, my refuge, my stronghold
Always with you, faithful one holding on
I am always with you

Always with you, always with you, always with you

I stand on higher ground, I was lost but now I'm here
With you, my refuge, my stronghold
Always with you, faithful one holding on
I am always

With you, my refuge, my stronghold, always
With you, faithful one holding on
I am always

With you, my refuge, my stronghold
Always with you, faithful one holding on
I am always with you

Always with you, always with you, always with you
