I should have been the guilty one
You took the blame for everything
I should have been in exile
You became the door to freedom

I used to live in the darkness
Searching for a way of escape
Then You turned the light on
Now I can see, now I can see

You're the answer for the world
The Healer of our hearts
Oh, what a wonder You are

You're my all-sufficiency
The Author of forgiveness
Oh, what a wonder, a wonder working God

Once I was a stranger
You welcomed me as a long lost friend
Now I have a future
Found in the Son, found in the Son

You're the answer for the world
The Healer of our hearts
Oh, what a wonder You are

You're my all-sufficiency
The Author of forgiveness
Oh, what a wonder

You're the answer for the world
The Healer of our hearts
Oh, what a wonder You are

You're my all-sufficiency
The Author of forgiveness
Oh, what a wonder, a wonder working God

Wonder working, wonder working, wonder working
God
(There's none like You, yeah yeah, yeah yeah, yeah)

Wonder working, wonder working, wonder working
God
(Wonder working God)
Wonder working, wonder working, wonder working
God
Wonder working, wonder working, wonder working
God
Wonder working, wonder working, wonder working
God
