Our God He lives forever
He reign in power and love

Let earth bow down before him
For He is exalted

We look to Yahweh Yahweh
Forever Yahweh Yahweh

Our hope is God Almighty
His love is greater than all
Lift high the God of heaven
Give all the honour

We look to Yahweh Yahweh
Our hope is Yahweh Yahweh

He shall reign forever (3x)
He shall regin forever and ever
He shall regin forever (3x)
He shall regin forever and ever
Our God

We look to Yahweh Yahweh
Forever Yahweh Yahweh
We look to Yahweh Yahweh
Our hope is Yahweh Yahweh - (2x)

He shall reign forever (3x)
He shall regin forever and ever

He shall regin forever (3x)
He shall regin forever and ever
Our God
