What is this love given to us  
That saved my life through selfless sacrifice?  
Although we fail the cross prevails  
Forgiveness stands, You take me back again

You've shown me life, You've opened my eyes  
So I give You my praise, yeah I give You my all  
You've shown me life, You've opened my eyes  
To the truth that there's no greater love

Now in the darkness God's light shines  
Christ forever glorified  
So come on, come on sing out to God now with all  
we've got  
We live for You our God

Salvation's strong in Christ alone  
The Savior King alone in victory  
I step aside give You my life  
For You to move do what You want to do

You've shown me life, You've opened my eyes  
So I give You my praise, yeah I give You my all  
You've shown me life, You've opened my eyes  
To the truth that there's no greater love

Now in the darkness God's light shines  
Christ forever glorified  
So come on, come on sing out to God now with all  
we've got  
We live for You our God

I can't imagine a life without You, without You  
'Cause it's all for You, yeah it's all for You God

Sing it  
I can't imagine a life without You, without You  
'Cause it's all for You, yeah it's all for You God

I can't imagine a life without You, without You  
'Cause it's all for You, yeah it's all for You God  
It's all for you

Now in the darkness God's light shines  
Christ forever glorified  
So come on, come on sing out to God now with all  
we've got  
We live for You our God
