On that day when I see
All that You have for me
When I see You face to face
There surrounded by Your grace

All my fear is swept away
In the light of your embrace
When Your love is all I need
And forever I am free

Where the streets are made of gold
In Your presence healed and whole
Let the songs of heaven rise to you alone

No weeping, no hurt or pain
No suffering You hold me now
You hold me now
No darkness no sick or lame
No hiding You hold me now,
You hold me now

In this life I will stand
Through my joy and my pain
Knowing there's a greater day
There's a hope that never fails

When Your name is lifted high
And forever praises rise
For the glory of Your Name
I'm believing for the day

When the wars and violence cease
All creation lives in peace
Let the songs of heaven rise to you alone

No weeping, no hurt or pain
No suffering You hold me now
You hold me now
No darkness, no sick or lame
No hiding You hold me now,
You hold me now

For eternity
All my heart will give
All the glory to Your name

For eternity
All my heart will give
All the glory to Your name

For eternity
All my heart will give
All the glory to Your name

For eternity
All my heart will give
All the glory to Your name

No weeping, no hurt or pain
No suffering You hold me now
You hold me now
No darkness no sick or lame
No hiding You hold me now,
You hold me now

No weeping, no hurt or pain
No suffering You hold me now
You hold me now
No darkness no sick or lame
No hiding You hold me now,
You hold me now

No weeping, no hurt or pain
No suffering You hold me now
You hold me now
No darkness no sick or lame
No hiding You hold me now,
You hold me now
