When the darkness fills my senses  
When my blindness keeps me from Your touch  
Jesus come

When my burden keeps me doubting  
When my memories take the place of You  
Jesus come

And I'll follow You there  
To the place where we meet  
And I'll lay down my pride  
As You search me again

Your unfailing love, Your unfailing love  
Your unfailing love over me again  
Your unfailing love, Your unfailing love  
Your unfailing love over me again

When the darkness fills my senses  
When my blindness keeps me from Your touch  
Jesus come

When my burden keeps me doubting  
When my memories take the place of You  
Jesus, Jesus come

And I'll follow You there  
To the place where we meet  
And I'll lay down my pride  
As You search me again

And I'll follow You there  
To the place where we meet  
And I'll lay down my my pride  
As You search me again

And I'll follow You there  
To the place where we meet  
And I'll lay down my pride  
As You search me again

Your unfailing love, Your unfailing love

Your unfailing love over me again  
Your unfailing love, Your unfailing love  
Your unfailing love over me again  
Unfailing love

Your unfailing love, Your unfailing love  
Your unfailing love over me again  
Your unfailing love, Your unfailing love  
Your unfailing love over me again
