Better than the riches of this world  
Better than the sound of my friends voices  
Better than the biggest dreams in my heart  
and that's just the start  
Better than getting what I say I need  
Better than living the life that I wan't to  
Better than the love anyone could give  
Your love is

You hold me now in Your arms You never let me go

And You oh Lord made the sunshine  
The moonlight and the nightsky  
You give me breath and all Your love  
I give my heart to You  
Because I can't stop falling in love with You  
I'll never stop falling in love with You
