You said ask and we'd receive
And to stand firm and just believe
Let heaven be open
And as we pray an as we seek
We know You hear and intercede
Forever You're praying for us
There is power to heal
power to save
There is power to forgive
In Jesus' name
There is power in love
For we know that God is love
There is power in Your name Jesus
And as we pray an as we seek
We know You hear and intercede
Forever You're praying for us
We know you are praying for us
I will take up my cross and follow
Lord where You lead me
I will take up my cross
And follow wherever You go
