Through Christ you first loved me
Be no greater price than this
The One who died for me
Rose from death, I stand with Thee

Now we sing salvation song
For the Savior's perfect love
Cleanse my soul and mercies dear
Blessed grace delivers me

Hallelujah, He is greater
Hallelujah, Jesus my Savior

Strength and hope for our days
Faith to move the mountains clear
Priceless love You give to us
It's not bound by what we do

Hallelujah, He is greater
Hallelujah, Jesus my Savior
Hallelujah, He is greater
Hallelujah, Jesus my Savior

Love of Jesus set me free
The love paid this price for me
His life He gave, love remains
Holy Lord

Love of Jesus set me free
The love paid this price for me
His life He gave, love remains
Holy Lord

Hallelujah, He is greater
Hallelujah, Jesus my Savior
