I wanna be everything You want me to be
I wanna live my life for You
You placed in me everything I need to go on
I wanna show my whole world You

I put my trust in everything Your words say You are
I'm gonna live my life for You
I seek Your truth, find grace in everything that You do
I'm gonna live to worship You

I look to You and all Your ways
I seek Your face and praise Your name

All I need is, all I need is You
In every little thing that I do
All I need is, all I need is You
Cause You're the only one, the only one for me

Never wanna be, never wanna be livin'
Livin' less than all You want for me
Giving all my life to my God
And I will worship You
